For Immediate Release:

Mustang Dynamometer Will Be Exhibiting At 2021 Trade Shows

Twinsburg, Ohio, July 27, 2021: Mustang Dynamometer, a worldwide manufacturer and designer of the high quality, accurate testing equipment such as chassis, engine and transmission dynamometers, has announced that they will be exhibiting at trade shows around the world in the remainder of 2021. With the lessening of COVID 19 restrictions, and the greater demand for quality performance dynamometers, Mustang continues to market their products on a global stage, even further expanding their worldwide presence. Mustang Dynamometer will be exhibiting at:

ATRA's Powertrain Expo 2021, October 13 - 16, in Las Vegas, Nevada

Automotive Testing Expo 2021, October 26 - 28, in Novi, Michigan, Booth #9002

SEMA Show 2021, November 2 - 5, in Las Vegas, Nevada, Booth #21241

Professional MotorSport World Expo 2021, November 11 - 13, in Cologne, Germany, Booth #2074

INA PAACE Automechanika Mexico, December 1 - 3, in Mexico City

PRI Show, December 10 - 12, in Indianapolis, Indiana, Booth #5421 in Yellow Hall

Automechanika Dubai, December 14 - 16, in Dubai, UAE, Hall 8 Booth #C12

Despite the uncertainties surrounding the global health crisis, and the possibilities of show cancellations, Mustang Dynamometer will be ready to exhibit.

About Mustang Dynamometer

For over 45 years, Mustang Dynamometers has been a worldwide manufacturer and designer of the highest quality, most accurate testing equipment such as chassis dynamometers, engine dynos and transmission dynes systems in the world. Our sister company, Mustang Advanced Engineering, has created world leading solutions for testing. Visit MustangDyne.com for more information. Follow them on Facebook, Twitter, LinkedIn, and Instagram.
